## County Property Set On Fire

Last Thursday someone decided to set one of the properties on fire that FEMA purchased during the flood and donated to the county. The property was not wired or plumbed and was not being lived in by anyone at the time of the fire. The Booneville Fire Department responded to the scene and contained the fire.

## Wreck On Highway 11 North

Isaac Bowling and Dwayne Bowling were traveling on Highway 11 North during the heavy snow Monday when they ran out of the road approximately 4.5 miles out of Booneville. As you can see, their car ran over the hill and turned over into it's top in the creek. Luckily neither the driver or the passenger were hurt in the wreck.

## Old Winter's Harsh Hand

Early Monday Morning, Old Man Winter decided to let March really come in like a Lion and wow did it come in like a lion in Owsley County with the biggest snow of the season. With up to 6" in the county, and snow falling as hard as it could, the state highway and the county couldn't keep up. The snowfall finally decided to ease up around midday but will be a mess untill later in the week when it is predicted to be in the 50's.

## State Governors Cup Competition

Governor's Cup was founded in 1986 in Kentucky as a way to pro-

mote, reward and recognize outstanding academic achievement. Since then, over a quarter of a million students have taken part in the event.

Governor's Cup has become the state's premier academic event, involving over 20,000 students, nearly 1200 schools, and thousands of coaches, administrators, parents and community leaders who see the rewards gained from encouraging academic performance through properly structured and professionally administered academic competition.

After facing some very difficult competition at

region, the Owsley County High School Academic Team had five students who advanced to state level Governors Cup competition taking place March 15-17 in Louisville. Those advancing to state level competition are the Future Problem Solving team of Frankie Jo Baldwin, Will Bowling, Axl Bryant and Olivia Bryant. In the individual written assessment events, Matthew Nuttle advanced in Social Studies and Olivia Bryant advanced in Arts and Humanities.

Good Luck to these students as they prepare for state level competition!

KY 2025 in Owsley County to be closed on Saturday, March 8

### District 10

In order to replace a damaged drainage pipe, the Kentucky Department of Highways plans to close KY 2025 in Owsley County on Saturday, March 8. The road will be closed at milepoint 2.9, near Gum Creek. The project will begin around 8 a.m. and will continue until approximately 4 p.m. During this time, the road will be closed to all through traffic.

No marked detour will be posted, but drivers can use KY 11 or KY 847 on either end of KY 2025 as detour routes. Motorists should plan their trips accordingly.

In case of inclement weather, the closure will be postponed until Saturday, March 15.

## State Extension Conference

The 2014 State Extension Conference was held last week in Lexington, KY. The Cooperative Extension Service turns 100 this year! We will be celebrating all year. The celebration will be held nationwide on May 8th, 2014. Please save the date.

Owsley County is blessed to have 2 delegates on the State Extension Council representing Extension District #2- Melinda Turner & Denise Hoffman Melinda represents the Family & Consumer Sciences State Advisory Council on the State Extension Council. Special thanks to both of these ladies for the leadership and support!

## BLOOD DONORS CAN SPORT KENTUCKY BASKETBALL MADNESS SHIRTS

Kentucky Blood Center (KBC) donors can show off their love of basketball and save a life at the upcoming blood drive. Those who donate at the upcoming drive will receive a Kentucky Basketball Madness T-shirt and a chance to win a 55" LG LED Smart TV and a Google Chromecast HDMI Streaming Media Player.

You can donate at Owsley County High School on Thursday March 6<sup>th</sup> from 9am – 1:30 pm in the Kids on Stage Room at Shepherds Lane in Booneville, KY. To schedule a donation, contact the school at 606 593-5185.

Blood donors must be 17 years old (16 with parental consent), weigh at least 110 pounds, be in general good health, show a photo I.D. And meet additional requirements. Sixteen-year-old donors must have a signed parental permission slip, which can be found at kybloodcenter.org.

Kentucky Blood Center, the largest FDA regulated blood bank in Kentucky, is a non-profit organization dedicated to ensuring a safe, adequate blood supply for patients at nearly 70 Kentucky hospitals and clinics in more than 60 counties. KBC relies on volunteers to donate 400 pints of blood per day to meet area patients' needs. Over the last year KBC distributed nearly 130,000 blood components.

# Elect MARSHALL D. TURNER

## COUNTY JUDGE EXECUTIVE

To the voters of Owsley County my name is Marshall D. Turner I am running for the office of County Judge. If I have not been to your house yet, please be patient. I plan to visit every house in Owsley County and talk with you about the needs of our community. Just give me time!

To all the candidates that are running for County Office, including all candidates running for U.S. Senator and Congressman and especially James Comer; our Agricultural Commissioner. I would like to have an open debate for what plans they have for Owsley County and every citizen of the United States of America regardless of what their political affiliation (Republican and Democrats alike)! I would like to see a 2-term limit for Congressmen; Senators and Representatives. I would also like to see them have to return to live in the environment/area they created as they set in their terms in office and voted on their bills and made the laws. They should have to live with them also.

I would like to discuss our empty factory buildings at the Industrial Park here in Owsley County and what we can do to fill these buildings. I would also like to discuss the possibility of having new locks built on the Kentucky River with turbines that would generate electricity for Owsley, Lee, and Estill Counties. This could help to lower utility bills for everyone and keep adequate water supply during a drought. I am 100% for the production of industrial hemp for a cash crop to help the farmers of Owsley County. Farming is a vital part of our community and this could help our farmland be productive again.

Paid for by Marshall D. Turner

## Eastside Apartment News

by Ruby Callahan

Hello from Eastside! Well, it looks like we are having a bad winter storm of ice and snow but the Lord knows what kind of weather we need even if we don't. we need to keep our road and emergency workers in our prayers. They really have a hard time keeping us safe.

Our prayers go out to all sick and who have lost loved ones. My son in law's cousin; Earl Bakers wife; Ronda isn't well at this time. She is wearing a heart monitor. The doctor said she might have a heart attack. She needs our prayers. Thanks go to my grandson Michael; I can wear his boots outside in snow.

Bible verse: "This is the day which the Lord hath made; we will rejoice and be glad in it." (Psalm 118:24)

### RECIPE:

Pie of your choice  
Graham Crackers  
Pudding pie filing

Layer graham crackers in a 9x13 in. pan, spread pudding mixture over crackers, repeating layers. (I use chocolate pudding and cherry filling)

# OUTDOOR TRUTHS

by  
**GARY MILLER**

There's a lot of fishing going on right now. I've heard stories from those catching bass, crappie, and walleye. It is the perfect time of the year for fishermen, no matter what species he is after. And just like other seasons, this one will pass as quickly as it arrived. While you can catch most types of fish all year long, there are certain times that are just better. Now is one of those times. Soon the walleye will move back into the lake, the crappie will slow down, and the bass will find their lethargic summer pattern. Until then the fishing will be fast and furious.

For some non-fishermen, fast and furious and fishing seem like an oxymoron. An onlooker sees a boat anchored to a pile of brush and two fishermen sitting intently, yet motionless, waiting for something to happen on the other end of the rod they're holding. This looks hardly like fast and furious. Another bystander sees more fishermen slowly trolling along with baited lines following along behind. The last way he would describe this scene would be fast and furious.

Someone has said fishing is a jerk at one end waiting on a jerk at the other. They are partially right. Fishing is all about waiting, but for some reason our world equates waiting with inactivity. And some of us are still paying the price for this flawed definition. The truth is waiting is active. This activity, however, is not physical but mental. It is not passive but aggressive. And it is both defensive and offensive. A person who waits not only must be alert to their time to move but they must also fight the temptation to move too quickly. This happens all the time in fishing. If you try setting the hook too soon, you miss. If you delay too long, you miss as well. One must wait for the right time.

In life the losses are greater than a missed fish. It can be a missed opportunity or it can be one's saving grace. Most of the time we forge ahead when we should have waited, all because we thought waiting was inactivity. The Bible says, "Be still in the presence of the LORD and wait patiently for him to act." God knows all the circumstances surrounding your life. He has never been in a hurry and He will never fail to give you clear instructions if you will seek Him. But He will do it in His time. Until then, actively wait, looking to Him for further instructions. It may be that His intentions are not only to bless you but to keep you from getting in a mess that may take years for you to get out of.
